

Name

DEBORSHI KARFA

Creative and detail-oriented professional with a strong background in Graphic Design, Web Development, and VFX. Committed to delivering high-quality visual content and innovative digital solutions.

PERSONAL PROFILE

I am motivated and honest with an easy disposition. I carry out my work with much responsibility, punctuality, and a positive mental attitude. I do best working as part of a team and alternatively, I enjoy working all by myself, establishing clear goals for my work and completing projects as efficiently as possible.

Practicing active listening and practicing clear communication while adapting quickly make me a very effective team player and a dependable contributor in any setup. I would like to learn today and engage tomorrow, eager to tackle any challenge to further my professional growth. Being creatively inclined, I pay attention to details, looking for areas to enhance and suggest new ideas.

I am dependable, tactful, easily able to work with others and share my good sense of humor. I am determined, decisive, and dynamic in working toward solutions and into actions. Because I have such diverse interests and have been educated in graphic design, web development, and animation, I can offer a degree of versatility for today's creative and technical industries.
